

Directions for pick up from the International Airport, Manila:

- We need your **flight number and arrival time/date** to book this as well as the **number of people** in the group

Where to meet your Driver:

- Walk through the customs area and go straight through the hall to the exit
- Look for the green sign "Arrival hall extension area"
- Once outside the exit, you will be standing on the 'arrival terminal access road'.
- Look across the road and you will see two ramps (signs point to the 'arrival extension area') – one going down to your left, one to your right.
- Walk across the road and go down the ramp on your right hand side.
- When you reach the bottom you will be at another access road. Stay on the side of the road that you are when you reach the bottom of the ramp.
- Again, look across the road.
- There are barriers in place, behind which you will see lots of people waiting for friends and relatives.
- You will see alphabetically divided barriers (A-C, D-F, etc) Your driver will be waiting for you under the letter "S" (for Scubaplus) He will have a sign with your name on it.
- If you cannot find your driver please call us at 043-287 32 04 or at 0920-436 22 29 and we will contact the driver for you.
- The aircon van will take you directly to Lea Beach in Batangas. Ask the driver if you wish to stop for food, drinks or toilet. There are plenty of MacDonald's and other fast food places as well as "Shell Stations" on the way down). Tip the driver as you see fit, otherwise do not give him any money. All our cars carry cellular phones.
- At Lea Beach the van will stop very close to your waiting boat. The boat crew will take you directly to the Sunsplash Resort or the Hotel of your choice in Small La Laguna where there will be someone from the resort to meet you (again, they work directly for us, your bags will be safely looked after, tip them as you see fit). All the boats have marine radios.
- You should pay for the boat and car on arrival at Scubaplus [you should not pay anything beyond tips to the driver or boatmen whilst you are on route].

Have a pleasant journey!

See you in Puerto Galera
